Due to the weather forecast for this upcoming weekend the committee has decided to defer the tournament until next weekend. The captains briefing and late registration will be at Finest Kind at 6:00 PM on Friday, Nov. 7th, we will fish Saturday, Nov. 8th and the Annual Dinner is still going to be held on Saturday, Nov. 8th at 6:00 PM at Miles Grant Golf and Country Club at that time we will give out the tournament awards and year end awards..

Because we are not having an Awards BBQ we are reducing the the entry fee to \$40.00 instead of the original \$50.00 If you have pre-registered, please call me at the office and I will make the adjustment.

If you have any further questions, please contact me at 286-9373 or email.

We apologize is this is an inconvenience for anyone, however the weather is what it is.

Thanks,  
Char
