

Recognizing that many of our loyal and generous sponsors and donors are feeling the pressure of testy economic times, our Board of Directors has voted to support their efforts of building their businesses by NOT going to them for donations for this tournament. Rather, the Stuart Sailfish Club has postponed the 40th Small Boat Tournament for one year. As such, we are having a low budget, low cost tournament in their honor. We'll continue to fund our College Scholarships, but in another way.

Entry fees and tournament costs have been reduced so that as many people as possible can still fish a "Fathers Day Weekend" tournament. Come on out, fish and enjoy a great tournament, on a budget that will allow good times and appreciation of our sponsors.
